Subject: EcoFacts: Pesticide Exposure in Children 5-11-13
Date: Monday, May 13, 2013 3:36:11 PM

You can also download the Journal of the American Academy of Pediatrics policy statement, which includes rodenticides. Also of note, Dr. Jimmy Roberts (PPDC member) is one of the lead authors.

[EcoFacts: Pesticide Exposure in Children](#)

Source: santabarbaraview.com

The Journal of the American Academy of Pediatrics recently published a detailed policy statement on pesticide exposure in children., The term pesticides here also includes herbicides (weed killers), fumigants, and fungicides (for controlling molds). Following are some excerpts. Children encounter pesticides daily in air, food, dust, and soil and on surfaces through home and public lawn or garden application, household insecticide use, application to pets, and agricultural product residues.” The...
